

Set Up a Stripe Account

If you already have a **Stripe account**, login instead of setting up a new one.

Access **Stripe**.

Click on the **Start Now button**. The button could be accessed at the bottom of the page.

Enter the required information on the **Create Your Stripe Account** fields.

A screenshot of the "Create your Stripe account" form. The form is divided into two main sections. The left section lists three benefits: "Quick and free sign-up", "Global payment methods", and "Start accepting payments". The right section contains the input fields for "Email", "Full name", "Password", and "Confirm password", all of which are highlighted with a red rectangle. Below these fields is a checkbox for "Get emails from Stripe about product updates, industry news, and events" and a "Create account" button. At the bottom, there is a link for "Have an account? Sign in".

If preferred, tick the emails option. If not, leave the checkbox unticked.

stripe
