The red conflict messages are to display those timesheet records for your field employee which have conflicts. Conflicts can occur due to the time not been recorded properly by the field employees. To view and remove conflict for a time record, single click on the red conflict message and then click **'Use This'** to open the timesheet record and make necessary amendments.

If you have QuickBooks integrated with Industrack, you can approve the timesheets in Industrack and sync with your QuickBooks account. To sync timesheet entries from Industrack to QuickBooks, go to **Settings** > click **Integrations** > select **QuickBooks** > click **Configure Sync** in the top-right > Enable **Payroll**.

Items	to Sync						
-	Customers	Sync Ways	Two Ways 🔹	Primary System	QuickBooks 👻		
-	Inventory	Sync Ways	One Way 👻	Sync Direction	QuickBooks to Industrack	*	
		CHANGE D	FAULT ACCOUNTS				
-	Invoices	Sync Ways	One Way 👻	Sync Direction	Industrack to QuickBooks	*	
		Default Qui	kBooks Service Item	defaultQBitem			
-	Payroll						

On Timesheet module, click Actions and select Approve & Sync.

On Approval Report, select the employees for whom you would like to sync the timesheet entries. Set the date range and click Apply. You will find relevant timesheets under the **Unapproved** column. Checkmark the time records that you would like to sync with QuickBooks and click **Approve** button.

The time entries will be queued under **Approved** column.

In the Approved column, mark all those entries that need to be synced with QuickBooks and then click **Mark for Sync**.

Once the next sync cycle takes place, the time entries will get synced to QuickBooks and **Synced** column in Industrack will display the synced timesheets.

Once a field employee completes any timesheet job on their app, you can see the history under the Completed Timesheet Jobs section. On the **Timesheet** homepage, click **Actions** button and select **View Completed Jobs**. Set the date range from the drop-down and you will see a list of all completed timesheet jobs. In the far-right you will have the option to convert a timesheet job into an invoice.
