

Mobile PriceBook

How to PriceBook

To Access the Pricebook section, click the three horizontal bars on the upper left and select **Pricebook**.

Top Level Category

Once you get to this page, find the category you need by using the search field.

PriceBooks items are grouped into categories. You will be able to see here at the top level all the main Pricebook Categories.

List Items – will show you all the flat rate items for all the categories.

Tap on any of the Main Categories to view its subcategory.

Pricebook Subcategories

PriceBooks categories are further subdivided into subcategories.

Find the subcategory you need by using the search field.

List Items – this will show you all the flat-rate items for all the subcategories listed here.

Flatrate Item List

Flatrate may be a combination of parts, services, and/or equipment.

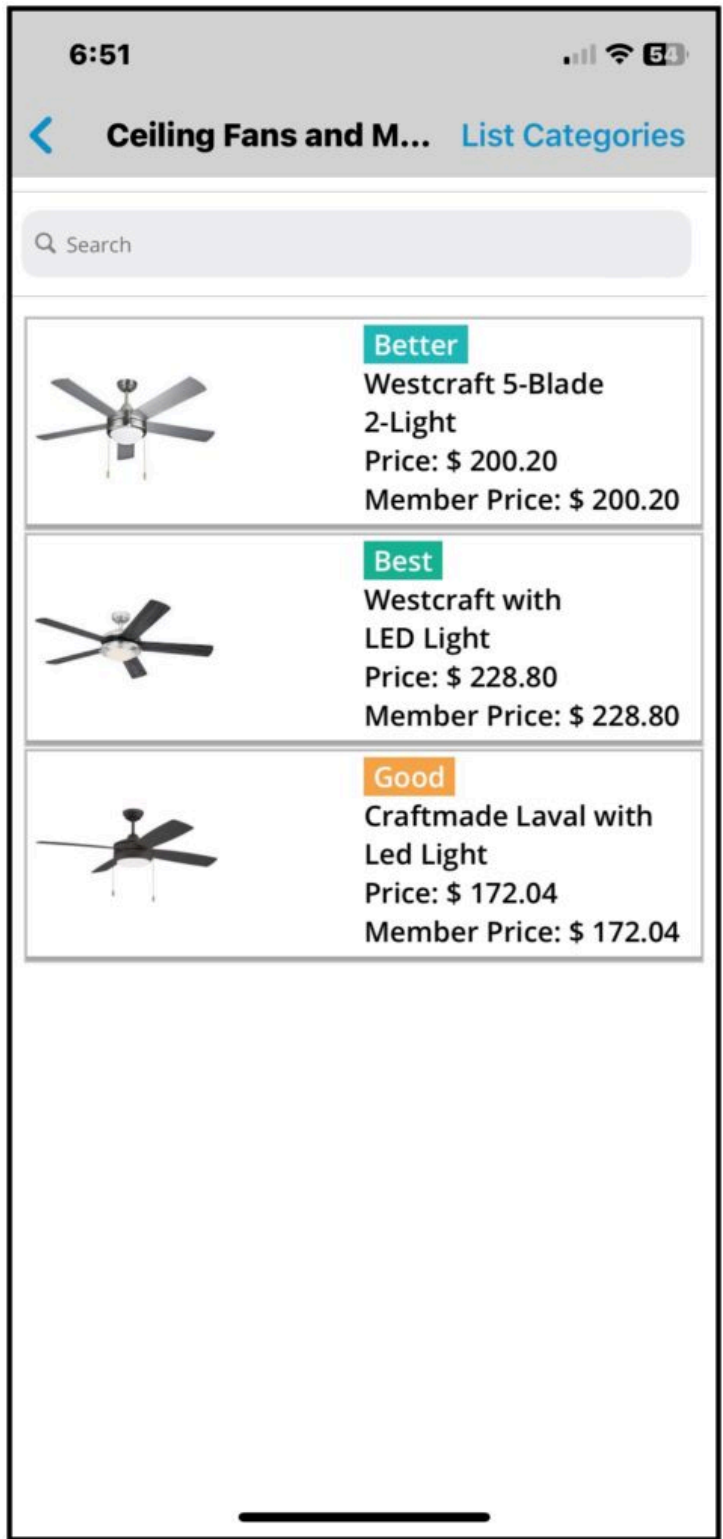

From here, you can compare flat rate items by their conditions (Good, Better, Best)

Price – Total price of the flat rate.

Member Price – discounted price.

List Categories – this will direct you back to the previous list of categories.

Tap an item to view its Sales Information.
